

**Scope of Work
Placer Union High School District
Chana Teen Parent Program
July 1, 2007 – June 30, 2008**

Introduction:

First 5 Placer will support Placer Union High School District – Chana Teen Parent Program to provide services under Strategic Result Area: Improved Family Functioning (pages 14-16) in accordance with the First 5 Placer 2007-2010 Strategic Plan and all First 5 Placer policies. This contract may be renewed annually (2007-2010) based on satisfactory achievement of the outcome.

Outcome:

- Teen parents enrolled in the Placer Union High School District (PUSHD) Teen Parenting Program are knowledgeable and competent in child nurturing and parenting skills so that their children prenatal through 5 are healthy and meeting appropriate developmental milestones.

Strategies:

1. Provide a parenting program that includes: daily parenting class, daily practicum class, necessary transportation, mentoring, weekly support group, case management, and all day child care. The Child Development Center is on campus, free of charge, for teen parents. The Center provides a developmentally appropriate environment, care, and activities that promote emotional, cognitive, and physical development. Bilingual services will be provided whenever possible.
2. Throughout the entire Teen Parenting Program, teens are mentored with the goal that when they exit the program they are able to independently meet their needs and the needs of their children.
3. Teens in the program are encouraged and supported in obtaining their diploma or passing the GED or Proficiency Exam.
4. The families of these teens are encouraged to and are provided with opportunities to participate in the program and gain knowledge and receive support services.
5. Increase community awareness of the Teen Parenting Program through outreach to all intermediate and high schools, applicable community service agencies, and the community at large.

Performance Measures:

- Demographics according to the categories mandated in the First 5 Placer Demographic Tool. In addition the following will be required; number of children served directly, the number of children served indirectly, the number of parents/caregivers served and the number of parents who successfully complete their high school education.
- Results of Ages & Stages Questionnaires – (ASQ and ASQ-SE) for children in the Child Development Center (every 2-3 months).
- Results of Parenting Assessment to measure parents’ knowledge, competence and health status of the child (every 2-3 months).
- Results of Alumni Sustainability Survey to measure teen parents’ ability to access services independently (approx. 4 months after exiting program).

First 5 Attribution:

All published program materials relating to the services provided under this agreement will list First 5 Placer as a funding source. All public relations materials such as brochures, posters, flyers and newsletters will include reference to First 5 Placer and include the First 5 Placer logo.

Evaluation:

By state law, the First 5 is required to use outcome-based accountability to determine its expenditures and measure achievement of outcomes (i.e. conditions and/or behaviors) for children prenatal through 5. To assist First 5 Placer to adequately measure the achievement of the outcomes stated in this contract, Contractor will be responsible for collecting, analyzing and reporting performance measure data to First 5 - Placer. Contractor shall participate in First 5 – Placer Learning Conversations to review and analyze performance measurement data and apply learning to improve services and outcomes. If Contractor does not bring the appropriate data to their learning conversations, payments will be withheld until Contractor provides the required data.

Reporting:

By state law the Commission is required to submit an annual report to the state First 5 Commission. Since the county report to the state is a compilation of the activities of individuals and organizations receiving First 5 funds in Placer County, Contractor will provide any information requested by First 5 Placer to complete and submit the state annual report and also provide reports to the First 5 Placer Commission as requested.

Also, First 5 Placer convenes an annual “Partner Network Outcome Faire” to report to the community. Contractor shall participate in this annual Outcome Faire.
